

Wide width fabrics
create seamless solutions.

Standard Width

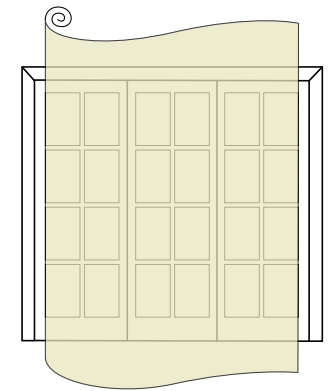

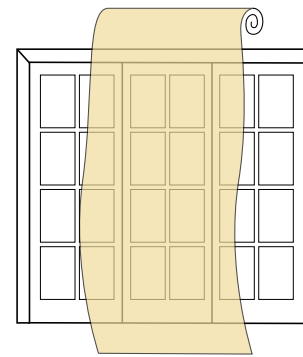

← 54" →

Wide Width

← 110-128" →

All patterns in this collection measure 110"-128" wide, making it a perfect fabric choice for seamless drapery on large windows.

Standard width fabrics require seams to achieve a width greater than 54". Wide width fabrics can be rotated 90 degrees (railroaded) to create an uninterrupted surface.
