Wrapped in T3669 Windward Sisal in Off White from Grasscloth Resource Vol. 6

The natural grasscloth wallcoverings approved for our Occasional Wrapped Furniture may slightly vary in color from roll to roll as these are 100% natural fibers, absorbing the dyes at different rates. Additionally, the hand-finishing production process involves numerous sanding and clear sealer steps followed by protective coats of clear varnish which may slightly darken the final color. Grasscloth is a natural, handcrafted product known for its distinctive texture, color variations, and irregularities in weaving. These irregularities are part of the beauty of grasscloth and should be embraced as such. To maintain the integrity of the product, please avoid exposure to direct sunlight and humid conditions, as this may cause fading and lifting of the paper.
