Shown in narrow width

TESTING:

Passes ASTM E-84

Passes ASTM G21-09 - Antimicrobial

Contains no Prop 65 chemicals above allowed minimal values

TO CLEAN:

Sponge with a warm mild soap solution to remove ordinary dirt and smudges. For more difficult stains, use of a stronger detergent is recommended. Try an inconspicuous spot before attempting the entire wall. Always rinse the wall well after applying a detergent. Do not clean with steel wool, powdered abrasive cleaners or hard plastic scrubbers.
