TO CLEAN:

Sponge with a warm mild soap solution to remove ordinary dirt and smudges. For more difficult stains, use of a stronger detergent is recommended. Try an inconspicuous spot before attempting the entire wall. Always rinse the wall well after applying a detergent. Do not clean with steel wool, powdered abrasive cleaners or hard plastic scrubbers.

**In US & Canada sold by the single roll, packaged in double rolls. Outside the US sold by the double roll only. Minimum wide width order is 30 yds / 27.5 metres.*
