MADISON CHAIR CLASSIC

7750-C30

The track arm Madison Chair has comfy boxed T-cushions at both seat and back. The boxed border base reinforces its modern style, especially when capped with tapered legs. This frame design is a great candidate for optional contrast welting to follow its linear contours. As part of our CHOICES program, there are many Madison frame options available and all are customizable by the inch for width and depth: sofas, mid-length sofas, sleepers, loveseats, chairs, chaise lounges and sectionals to create a seating area of any size and shape. Details on other frames will be found behind the CHOICES tab.
