SEAT HEIGHT: 20"

ARM HEIGHT: 24"

## SHELTON WING CHAIR

7814-C30

The Shelton Wing Chair is a contemporary version of our Salem Wing Chair with tapered legs and ferrules on the front legs. The sloping squared arms create a handsome profile on this classic chair. With a slimmer width frame, the Shelton Wing Chair is well-suited for use in the family room, library or home office. Customize with a waterfall skirt for a more traditional look.

### *dimensions*
