CLASSIC UPHOLSTERED BED BASE

This versatile bed base has crisp upholstery and modern square tapered wood legs. It creates a complete look when paired with one of our upholstered or wood frame headboards in the coordinating size, and is a great opportunity to add an accent of color or pattern to a bedroom. Design options such as contrasting welt and nail heads can also create decorative touches on this simply styled frame. Each bed base features pre-drilled bolt holes to attach to a standard headboard of the same size.
