SONOMA HEADBOARD

Biscuit tufting defines the luxe linear style of the Sonoma Headboard. This is true tufting—with pleats carefully aligned between the tufts. Fabrics in solid textures or small repeats as well as fine leathers work well with biscuit tufting. The Sonoma Headboard can appear more masculine in leather or heavy linen, more feminine in damask, velvet or matelassé. All headboards have upholstered legs, pre-drilled with bolt holes to attach to a metal bed frame. Or for a complete look, pair it with our Classic Upholstered Bed Base or Classic Wood Bed Base, in the coordinating size.
