WINDSOR HEADBOARD

The graceful curves of this upholstered headboard are framed in hardwood, which creates a lovely silhouette when placed against a bedroom wall. The frame provides an opportunity to add an accent of color in a painted or premium finish, and buttons or tufting can also be added for a more dressed up look. All headboards have upholstered legs, pre-drilled with bolt holes to attach to a metal bed frame, or for a complete look, with our Classic Upholstered Bed Base or Classic Wood Bed Base, in the coordinating size.
