CHARLESTON HEADBOARD

The graceful curves of the Charleston Headboard ascend to a sweeping arc that creates a beautiful bed. Button accents mimic tufting without distorting a patterned fabric. The 2-1/2 inch fabric border is accented with self-welting or optional contrast welting, decorative cord or nail head trim. All headboards have upholstered legs, pre-drilled with bolt holes to attach to a metal bed frame. Our 61" wide headboards have two sets of bolt holes, designed to fit both 54" Double and 60" Queen size mattresses. Bedding will fill out a Double size mattress so that the finished bed will look just right.

RIDGEWOOD HEADBOARD

The Ridgewood Headboard is an elegant showcase for a beautiful fabric—perhaps a large-scale damask, a dramatic ikat, grand floral, colorful toile or handsome tapestry. The pattern will play out on the broad expanse of the upholstered headboard, framed by a 4-inch border, set off with welting or optional nail head trim. All headboards have upholstered legs, pre-drilled with bolt holes to attach to a metal bed frame. Our 61" wide headboards have two sets of bolt holes, designed to fit both 54" Double and 60" Queen size mattresses. Bedding will fill out a Double size mattress so that the finished bed will look just right.

SONOMA HEADBOARD

Biscuit tufting defines the luxe linear style of the Sonoma Headboard. This is true tufting—with pleats carefully aligned between the tufts. Fabrics in solid textures or small repeats as well as fine leathers work well with biscuit tufting. The Sonoma Headboard can appear more masculine in leather or heavy linen, more feminine in damask, velvet or matelassé. All headboards have upholstered legs, pre-drilled with bolt holes to attach to a metal bed frame. Our 61" wide headboards have two sets of bolt holes, designed to fit both 54" Double and 60" Queen size mattresses. Bedding will fill out a Double size mattress so that the finished bed will look just right.
