The Aria Collection by Anna French

Newark, NJ -- Anna French has composed a triumphant production with the **Aria Collection**. Poetic patterns have been woven into luxurious embroideries, cut velvets, linens and gauzy madras, creating a harmony of refinement and celebration. Balancing both feminine and masculine tones, the Aria Collection is a fresh embrace of colour, style and function.

Luxe **Celia Vine** is a pretty, delicate embroidery, accented with flourishes of beautifully adorned buds and vines in chic colour combinations.

Rope Madras billows with ease and pays homage to Anna French's Scottish design beginnings with this airy and graceful weave.

Sophisticated and balanced, **Salina Ribbon** echoes the look of nail heads, burnished upon a natural linen ground.

Appliquéd linen circles surrounded by French knots, **Durham Dot** is soothing and calm on a wave of natural linen.

Straight forward and sleek, **Spot On** continues the theme of casual elegance with its cheetah-like tufts of cut velvet in both meek and wild colourways.

A lasting legacy of intellect and appreciation, the organic shapes **Stackhouse** easily drifts upon a refined ground of natural linen.

Understated elegance is woven through the threads of modern **Key Stripe** with contrasting silk and cotton lines

of refinement.

Retro infused style permeates the chenille curves of sophisticated **Lanford**.

An ode to Anna French's past, **Songbirds** is a classic harmony upon a stage of fine Dupioni silk.
