Treasures Await at Every Turn in Thibat's Caravan Collection

Newark, NJ -- Venture to a place where treasures await at every turn in the **Caravan Collection**.

Classically inspired designs and worldly motifs are enlivened with a fresh and adventurous color palette. This energizing collection of coordinating wallpaper, print and woven fabrics is full of surprising shapes and movement that embraces traditional design.

Banyan is a large-scale, traditional pattern which encompasses damasks, scrolls and florals.

Coordinating **Banyan Embroidery** encompasses a print and embroidery on 100% linen ground.

Grassy green, sky blue, flax, metallic silver and metallic gold are the colorways of **Carolyn Trellis**, a printed paperweave that has a crafty, handmade basket-look that is rich in texture and momentum. A plain white colorway, called **Carolyn Weave** is also available.

Taken from an antique crewel and named after a true craft bazaar in the Indian city of Janta, **Janta Bazaar** embodies great movement with a tropical flair. Charming birds are perched on winding vines amongst leaves and fanciful florals on bold grounds of red, peacock blue, citron green, charcoal, flax and white. All colorways have a matching print fabric of the same scale.

The scrolling medallions of **Patara Ikat** wallpaper makes a bold statement in endless colorways like fuchsia, green, orange, navy, aqua, grey and beige.

Wood Blocks is a fun, novelty wallpaper which features a collage of old English wood block patterns like turtles, bee hives, sail boats and skeleton keys.

Whimsical in nature, **Sevita** is a beautiful floral pattern with swirling vines and artistic leaves. This pattern has a matching fabric to all wallpaper colorways except pearl.

The soft curves of **Juniper Ogee Embroidery** are intricately detailed with dots and starburst stitches. Colorways coordinate with many other families throughout Caravan, including coral and stone, aqua, blue and green and neutral.

Jayanti Stripe is a classic canopy stripe, a great coordinate with many other wallpapers and fabrics in the collection.
