The Natural Glimmer Collection by Anna French

Delicate tones of light. Rays of sunshine beam through the fluttering leaves of an old chestnut tree. The soft breeze is reminiscent of the picturesque English countryside. A splendid portrayal of nature at its best. Natural Glimmer is a collection of multipurpose fabrics in a natural palette of whites, greys, and linens, with ornate and specialty embellishments of beads, metallic threads, embroidery and raised print techniques.

Newark, NJ -- An abundant resource for multipurpose fabrics that are ideal for drapery, pillows, and light upholstery, the **Natural Glimmer Collection** by Anna French has a soft, natural palette of delicate colors.

Olympus Embroidery is a modern bud floral with cut threads and hints of metallic that add just the right amount of sparkle.

With alluring simplicity, **Shimmer** is a glittery linen blend that is perfect for solid draperies.

Resounding **Rings** is made up of endless circles appliquéd onto 100% linen ground.

Marbella is a sheer-like double cloth-stitched linen with larger embroidered circles.

The charming geometric shapes in **Camisha** are foil printed onto 100% linen.

Fanciful glass beads have been hand embroidered to create soft vertical waving stripes in **Petrol**.
